| Alternativnummer         | BOB-M04431-1-100UL                                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | IHC, WB                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                            |
| Immunogen                | A peptide corresponding to the C-terminus of human BOB-1/OBF-1                                                                                                   |
| Produktbeschreibung      | Boster Bio Anti-BOB-1/OBF-1 Rabbit Monoclonal Antibody,<br>CloneRM378 (Catalog M04431-1). Tested in IHC, WB applications.<br>This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                       |
| Konzentration            | 0.5-1mg/ml, actual concentration vary by lot. Use suggested dilution<br>ratio to decide dilution procedure.                                                      |
| Klon-Bezeichnung         | [Clone: RM378]                                                                                                                                                   |
| Molekulargewicht         | 27436 MW                                                                                                                                                         |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q16633</a>                                                          |
| Puffer                 | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                             |
| Formulierung           | Liquid                                                                          |
| Application Verdünnung | Immunohistochemistry (IHC): 1:1000-1:2000 dilution WB: 1:5000-1:10000 dilution. |
