| Wirt                     | Mouse                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | IF, IHC, WB                                                                                                                                                         |
| Spezies Reaktivität      | Canine, Human, Mouse                                                                                                                                                |
| Immunogen                | Full-length protein expressed in 293T cell transfected with human ILF2 expression vector                                                                            |
| Konjugation              | Unconjugated                                                                                                                                                        |
| Produktbeschreibung      | Boster Bio Anti-ILF2 mouse monoclonal antibody, clone OTI6F1 (formerly 6F1). Catalog M04443. Tested in IF, IHC, WB. This antibody reacts with Human, Mouse, Dog.... |
| Klonalität               | Monoclonal                                                                                                                                                          |
| Konzentration            | 1 mg/ml                                                                                                                                                             |
| Klon-Bezeichnung         | [Clone: OTI6F1]                                                                                                                                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Isotyp                 | IgG1                                                                 |
| UniProt                | <a href="#">Q12905</a>                                               |
| Puffer                 | PBS (pH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500IHC 1:50IF 1:100                                             |
