| Artikelname              | Anti-AMPK gamma 1 Rabbit Monoclonal Antibody, Clone: [Clone: GDE-16]                                                                                                   |
| Artikelnummer            | BOB-M04467                                                                                                                                                             |
| Hersteller Artikelnummer | M04467                                                                                                                                                                 |
| Alternativnummer         | BOB-M04467-100UL                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | FC, IP, WB                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                      |
| Immunogen                | A synthesized peptide derived from human AMPK gamma 1                                                                                                                  |
| Produktbeschreibung      | Boster Bio Anti-AMPK gamma 1 Rabbit Monoclonal Antibody catalog M04467. Tested in WB, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                             |
| Konzentration            | 0.5mg/ml                                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: GDE-16]                                                                                                                                                        |
| Molekulargewicht         | Observed Molecular Weight: 185 kDa. Calculated Molecular Weight: 37579 MW                                                                                              |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">5571</a>                                                                                                |
| UniProt                | <a href="#">P54619</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | 5-AMP-activated protein kinase subunit gamma-1                                                                      |
| Application Verdünnung | WB 1:500-2000IP 1:20FC 1:20                                                                                         |
