## Product Datasheet

### Anti-MMP11 Rabbit Monoclonal Antibody, Clone: [Clone: GDF-13] BOB-M04490

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MMP11 Rabbit Monoclonal Antibody, Clone: [Clone: GDF-13]                                                                                            |
| Artikelnummer            | BOB-M04490                                                                                                                                               |
| Hersteller Artikelnummer | M04490                                                                                                                                                   |
| Alternativnummer         | BOB-M04490-100UL                                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | A synthesized peptide derived from human MMP11                                                                                                           |
| Produktbeschreibung      | Boster Bio Anti-MMP11 Rabbit Monoclonal Antibody catalog M04490. Tested in WB, IHC, ICC/IF applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                               |
| Konzentration            | 0.5mg/ml                                                                                                                                                 |
| Klon-Bezeichnung         | [Clone: GDF-13]                                                                                                                                          |
| Molekulargewicht         | Observed Molecular Weight: 38-45 kDa. Calculated Molecular Weight: 54590 MW                                                                              |
| NCBI                     | <a href="#">4320</a>                                                                                                                                     |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P24347</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Stromelysin-3                                                                                                       |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200                                                                            |
