| Artikelname              | Anti-RAB11B Antibody Picoband (monoclonal, 6C5) Biotin Conjugated, Clone: [Clone: 6C5], Mouse, Monoclonal                                                                                 |
| Artikelnummer            | BOB-M04526-BIOTIN                                                                                                                                                                         |
| Hersteller Artikelnummer | M04526-Biotin                                                                                                                                                                             |
| Alternativnummer         | BOB-M04526-BIOTIN-100UG                                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human RAB11B, which shares 97.4% and 100% amino acid (aa) sequence identity with mouse and rat RAB11B, respectively. |
| Klonalität               | Monoclonal                                                                                                                                                                                |
| Klon-Bezeichnung         | [Clone: 6C5]                                                                                                                                                                              |
| NCBI                     | <a href="#">9230</a>                                                                                                                                                                      |
| UniProt                  | <a href="#">Q15907</a>                                                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                               |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Ras-related protein Rab-11B                                                                                |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
