## Product Datasheet

### **Anti-Cofilin 2/CFL2 Antibody Picoband (monoclonal, 8C13) Fluoro488 Conjugated, Clone: [Clone: 8C13], Mouse, Monoclonal BOB-M04773-FLUORO488**

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Cofilin 2/CFL2 Antibody Picoband (monoclonal, 8C13) Fluoro488 Conjugated, Clone: [Clone: 8C13], Mouse, Monoclonal              |
| Artikelnummer            | BOB-M04773-FLUORO488                                                                                                                |
| Hersteller Artikelnummer | M04773-Fluoro488                                                                                                                    |
| Alternativnummer         | BOB-M04773-FLUORO488-100UG                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                          |
| Wirt                     | Mouse                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | FC                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Cofilin 2/CFL2, identical to the related mouse sequence. |
| Klonalität               | Monoclonal                                                                                                                          |
| Klon-Bezeichnung         | [Clone: 8C13]                                                                                                                       |
| NCBI                     | <a href="#">1073</a>                                                                                                                |
| UniProt                  | <a href="#">Q9Y281</a>                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Cofilin-2                                     |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
