| Artikelname              | Anti-DUSP10 Mouse Monoclonal Antibody [Clone ID: OTI2H1], IgG2a, Clone: [Clone: OTI2H1]                                                                      |
| Artikelnummer            | BOB-M05412                                                                                                                                                   |
| Hersteller Artikelnummer | M05412                                                                                                                                                       |
| Alternativnummer         | BOB-M05412-100UL                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                   |
| Wirt                     | Mouse                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | IHC, WB                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                            |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 180-482 of human DUSP10 (NP_009138) produced in E.coli.                                      |
| Produktbeschreibung      | Boster Bio DUSP10 mouse monoclonal antibody, clone OTI2H1 (formerly 2H1). Catalog M05412. Tested in IHC, WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                   |
| Konzentration            | 1 mg/ml                                                                                                                                                      |
| Klon-Bezeichnung         | [Clone: OTI2H1]                                                                                                                                              |
| Isotyp                   | IgG2a                                                                                                                                                        |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">Q9Y6W6</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:2000                                                            |
