| Wirt                     | Mouse                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | FC, IHC, WB                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                          |
| Immunogen                | Full length human recombinant protein of human RLBP1 (NP_000317) produced in HEK293T cell.                                                                                 |
| Produktbeschreibung      | Boster Bio RLBP1 (CRALBP) mouse monoclonal antibody, clone OTI1G6 (formerly 1G6). Catalog M05421-1. Tested in FC, IHC, WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                                 |
| Konzentration            | 1.11 mg/ml                                                                                                                                                                 |
| Klon-Bezeichnung         | [Clone: OTI1G6]                                                                                                                                                            |
| Isotyp                   | IgG2a                                                                                                                                                                      |

|                        |                                                                      |
