| Hersteller               | Boster Bio                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | IHC, WB                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                          |
| Immunogen                | Full length human recombinant protein of human ISCU (NP_055116) produced in E.coli.                                                                        |
| Produktbeschreibung      | Boster Bio ISCU mouse monoclonal antibody, clone OTI4F5 (formerly 4F5). Catalog M05447. Tested in IHC, WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                 |
| Konzentration            | 1 mg/ml                                                                                                                                                    |
| Klon-Bezeichnung         | [Clone: OTI4F5]                                                                                                                                            |
| Isotyp                   | IgG1                                                                                                                                                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">Q9H1K1</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:2000IHC 1:150                                                   |
