| Alternativnummer         | BOB-M05488-100UL                                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                      |
| Applikation              | ICC, IHC, WB                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                               |
| Immunogen                | Recombinant protein within human aa 3-248.                                                                                                                      |
| Produktbeschreibung      | Boster Bio Anti-RXRB Antibody (Monoclonal, 31R21) catalog M05488.<br>Tested in WB, IHC, ICC/IF applications. This antibody reacts with<br>Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                      |
| Konzentration            | 500 µg/ml                                                                                                                                                       |
| Klon-Bezeichnung         | [Clone: 31R21]                                                                                                                                                  |
| UniProt                  | <a href="#">P28702</a>                                                                                                                                          |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Formulierung           | Liquid                                                                                                              |
| Application Verdünnung | Western blot, 1:500-2000Immunohistochemistry, 1:50-200Immunocytochemistry/Immunofluorescence, 1:50-200              |
