### Anti-5T4 TPBG Rabbit Monoclonal Antibody, Clone: [Clone: EHE-20] BOB-M07442

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-5T4 TPBG Rabbit Monoclonal Antibody, Clone: [Clone: EHE-20]                                                                        |
| Artikelnummer            | BOB-M07442                                                                                                                              |
| Hersteller Artikelnummer | M07442                                                                                                                                  |
| Alternativnummer         | BOB-M07442-100UL                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                   |
| Immunogen                | A synthesized peptide derived from human 5T4                                                                                            |
| Produktbeschreibung      | Boster Bio Anti-5T4 TPBG Rabbit Monoclonal Antibody catalog M07442. Tested in WB, IHC applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                              |
| Konzentration            | 0.5mg/ml                                                                                                                                |
| Klon-Bezeichnung         | [Clone: EHE-20]                                                                                                                         |
| Molekulargewicht         | Observed Molecular Weight: 47 kDa. Calculated Molecular Weight: 46032 MW                                                                |
| NCBI                     | <a href="#">7162</a>                                                                                                                    |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q13641</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Protein kinase C iota type                                                                                          |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200                                                                                           |
