## Product Datasheet

### Anti-CDC42EP1/Mse55 Rabbit Monoclonal Antibody, Clone: [Clone: IOE-3] BOB-M08856

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CDC42EP1/Mse55 Rabbit Monoclonal Antibody, Clone: [Clone: IOE-3]                                                                   |
| Artikelnummer            | BOB-M08856                                                                                                                              |
| Hersteller Artikelnummer | M08856                                                                                                                                  |
| Alternativnummer         | BOB-M08856-100UL                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                              |
| Applikation              | WB                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                   |
| Immunogen                | A synthesized peptide derived from human CDC42EP1                                                                                       |
| Produktbeschreibung      | Boster Bio Anti-CDC42EP1/Mse55 Rabbit Monoclonal Antibody catalog M08856. Tested in WB application. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                              |
| Konzentration            | 0.5mg/ml                                                                                                                                |
| Klon-Bezeichnung         | [Clone: IOE-3]                                                                                                                          |
| Molekulargewicht         | Observed Molecular Weight: 85 kDa. Calculated Molecular Weight: 40295 MW                                                                |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">11135</a>                                                                                               |
| UniProt                | <a href="#">Q00587</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Cdc42 effector protein 1                                                                                            |
| Application Verdünnung | WB 1:500-2000                                                                                                       |
