| Kategorie                | Antikörper                                                                                                                                                                     |
| Applikation              | FC, IHC, WB                                                                                                                                                                    |
| Spezies Reaktivität      | Canine, Human, Monkey, Mouse, Rat                                                                                                                                              |
| Immunogen                | Full length human recombinant protein of human C20orf3 (NP_065392) produced in HEK293T cell.                                                                                   |
| Produktbeschreibung      | Boster Bio C20orf3 mouse monoclonal antibody, clone OTI4F6 (formerly 4F6). Catalog M08954. Tested in FC, IHC, WB. This antibody reacts with Human, Monkey, Mouse, Rat, Dog.... |
| Klonalität               | Monoclonal                                                                                                                                                                     |
| Konzentration            | 0.85 mg/ml                                                                                                                                                                     |
| Klon-Bezeichnung         | [Clone: OTI4F6]                                                                                                                                                                |
| Isotyp                   | IgG2b                                                                                                                                                                          |

|                        |                                                                      |
