| Artikelnummer            | BOB-M08957-1                                                                                                                                                 |
| Hersteller Artikelnummer | M08957-1                                                                                                                                                     |
| Alternativnummer         | BOB-M08957-1-100UL                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                   |
| Wirt                     | Mouse                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | FC, WB                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                            |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 1-100 and 645-744 of human TRIM2 (NP_056086) produced in HEK293T cell.                       |
| Produktbeschreibung      | Boster Bio TRIM2 mouse monoclonal antibody, clone OTI4E5 (formerly 4E5). Catalog M08957-1. Tested in FC, WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                   |
| Konzentration            | 0.94 mg/ml                                                                                                                                                   |
| Klon-Bezeichnung         | [Clone: OTI4E5]                                                                                                                                              |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Isotyp                 | IgG2b                                                                |
| UniProt                | <a href="#">Q9C040</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500~2000Flow Cytometry 1:100                                    |
