| Kategorie                | Antikörper                                                                                                                                                                        |
| Applikation              | FC, IF, IHC, WB                                                                                                                                                                   |
| Spezies Reaktivität      | Canine, Human, Monkey, Mouse, Rat                                                                                                                                                 |
| Immunogen                | Full length human recombinant protein of human FAM40A (NP_149079) produced in HEK293T cell.                                                                                       |
| Produktbeschreibung      | Boster Bio FAM40A mouse monoclonal antibody, clone OTI7B8 (formerly 7B8). Catalog M09470. Tested in FC, IF, IHC, WB. This antibody reacts with Human, Monkey, Mouse, Rat, Dog.... |
| Klonalität               | Monoclonal                                                                                                                                                                        |
| Konzentration            | 1 mg/ml                                                                                                                                                                           |
| Klon-Bezeichnung         | [Clone: OTI7B8]                                                                                                                                                                   |
| Isotyp                   | IgG2a                                                                                                                                                                             |

|                        |                                                                      |
