| Artikelname              | Anti-PPIH Mouse Monoclonal Antibody [Clone ID: OTI1C6], IgG1, Clone: [Clone: OTI1C6]                                                                  |
| Artikelnummer            | BOB-M10026                                                                                                                                            |
| Hersteller Artikelnummer | M10026                                                                                                                                                |
| Alternativnummer         | BOB-M10026-100UL                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | WB                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                     |
| Immunogen                | Full length human recombinant protein of human PPIH (NP_006338) produced in E.coli.                                                                   |
| Produktbeschreibung      | Boster Bio PPIH mouse monoclonal antibody, clone OTI1C6 (formerly 1C6). Catalog M10026. Tested in WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                            |
| Konzentration            | 1 mg/ml                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: OTI1C6]                                                                                                                                       |
| Isotyp                   | IgG1                                                                                                                                                  |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">O43447</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:2000                                                            |
