| Artikelname              | Anti-N4BP2L2 Mouse Monoclonal Antibody [Clone ID: OTI1C8], IgG2a, Clone: [Clone: OTI1C8]                                                          |
| Artikelnummer            | BOB-M14016                                                                                                                                        |
| Hersteller Artikelnummer | M14016                                                                                                                                            |
| Alternativnummer         | BOB-M14016-100UL                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | IHC, WB                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                             |
| Immunogen                | Full length human recombinant protein of human N4BP2L2 (NP_055702) produced in E.coli.                                                            |
| Produktbeschreibung      | Boster Bio N4BP2L2 mouse monoclonal antibody, clone OTI1C8 (formerly 1C8). Catalog M14016. Tested in IHC, WB. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                        |
| Konzentration            | 1 mg/ml                                                                                                                                           |
| Klon-Bezeichnung         | [Clone: OTI1C8]                                                                                                                                   |
| Isotyp                   | IgG2a                                                                                                                                             |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">Q92802</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:200IHC 1:150                                                    |
