## Product Datasheet

### Anti-Alkaline Phosphatase/ALPL Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PA1004-HRP

|                          |                                                                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Alkaline Phosphatase/ALPL Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                     |
| Artikelnummer            | BOB-PA1004-HRP                                                                                                                                                          |
| Hersteller Artikelnummer | PA1004-HRP                                                                                                                                                              |
| Alternativnummer         | BOB-PA1004-HRP-100UG                                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | ELISA, IHC, WB                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Alkaline Phosphatase, different from the related rat and mouse sequences by two amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                              |
| Molekulargewicht         | Calculated Molecular Weight: 57305 MW                                                                                                                                   |
| NCBI                     | <a href="#">249</a>                                                                                                                                                     |
| UniProt                  | <a href="#">P05186</a>                                                                                                                                                  |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                     |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Alkaline phosphatase, tissue-nonspecific isozyme                                                           |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
