### Anti-Apoptosis regulator BAX Bax Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PA1013-1-FLUORO488

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Apoptosis regulator BAX Bax Antibody Picoband Fluoro488<br>Conjugated, Rabbit, Polyclonal                                                        |
| Artikelnummer            | BOB-PA1013-1-FLUORO488                                                                                                                                |
| Hersteller Artikelnummer | PA1013-1-Fluoro488                                                                                                                                    |
| Alternativnummer         | BOB-PA1013-1-FLUORO488-100UG                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | FC                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Bax, different from the related mouse and rat sequences by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 21184 MW                                                                                                                 |
| NCBI                     | <a href="#">581</a>                                                                                                                                   |
| UniProt                  | <a href="#">Q07812</a>                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                           |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Apoptosis regulator BAX                       |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
