### Anti-BDNF Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-PA1014-FITC

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-BDNF Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                    |
| Artikelnummer            | BOB-PA1014-FITC                                                                                                                    |
| Hersteller Artikelnummer | PA1014-FITC                                                                                                                        |
| Alternativnummer         | BOB-PA1014-FITC-100UG                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | FC                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminal of human BDNF, identical to the related rat and mouse sequences. |
| Klonalität               | Polyclonal                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 27818 MW                                                                                              |
| NCBI                     | <a href="#">627</a>                                                                                                                |
| UniProt                  | <a href="#">P23560</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                       |
| Formulierung             | Liquid                                                                                                                             |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | Neurotrophic factor BDNF precursor form       |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
