## Product Datasheet

### Anti-C-C chemokine receptor type 5 CCR5 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PA1016-2-BIOTIN

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-C-C chemokine receptor type 5 CCR5 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal             |
| Artikelnummer            | BOB-PA1016-2-BIOTIN                                                                                         |
| Hersteller Artikelnummer | PA1016-2-Biotin                                                                                             |
| Alternativnummer         | BOB-PA1016-2-BIOTIN-100UG                                                                                   |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                              |
| Spezies Reaktivität      | Mouse                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of mouse CCR5.                         |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 40785 MW                                                                       |
| NCBI                     | <a href="#">12774</a>                                                                                       |
| UniProt                  | <a href="#">P51682</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | C-C chemokine receptor type 5                                                                              |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
