## Product Datasheet

### **Anti-Monoamine Oxidase B/MAOB Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-PA1649-FLUORO647**

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Monoamine Oxidase B/MAOB Antibody Picoband Fluoro647<br>Conjugated, Rabbit, Polyclonal                             |
| Artikelnummer            | BOB-PA1649-FLUORO647                                                                                                    |
| Hersteller Artikelnummer | PA1649-Fluoro647                                                                                                        |
| Alternativnummer         | BOB-PA1649-FLUORO647-100UG                                                                                              |
| Hersteller               | Boster Bio                                                                                                              |
| Wirt                     | Rabbit                                                                                                                  |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | FC                                                                                                                      |
| Spezies Reaktivität      | Mouse, Rat                                                                                                              |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of mouse MAOB, identical to the related rat sequence. |
| Klonalität               | Polyclonal                                                                                                              |
| Molekulargewicht         | Calculated Molecular Weight: 58558 MW                                                                                   |
| NCBI                     | <a href="#">109731</a>                                                                                                  |
| UniProt                  | <a href="#">Q8BW75</a>                                                                                                  |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .             |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Amine oxidase [flavin-containing] B           |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
