### Anti-FES Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PA1854-1-FLUORO488

|                          |                                                                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FES Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                               |
| Artikelnummer            | BOB-PA1854-1-FLUORO488                                                                                                            |
| Hersteller Artikelnummer | PA1854-1-Fluoro488                                                                                                                |
| Alternativnummer         | BOB-PA1854-1-FLUORO488-100UG                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                        |
| Applikation              | FC                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                 |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human FES, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 93497 MW                                                                                             |
| NCBI                     | <a href="#">2242</a>                                                                                                              |
| UniProt                  | <a href="#">P07332</a>                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                      |
| Formulierung             | Liquid                                                                                                                            |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | Tyrosine-protein kinase Fes/Fps               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
