## Product Datasheet

### **Anti-BCRP/ABCG2 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal** **BOB-PA1869-FLUORO550**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-BCRP/ABCG2 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                  |
| Artikelnummer            | BOB-PA1869-FLUORO550                                                                                        |
| Hersteller Artikelnummer | PA1869-Fluoro550                                                                                            |
| Alternativnummer         | BOB-PA1869-FLUORO550-100UG                                                                                  |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human BCRP/ABCG2.                   |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 72314 MW                                                                       |
| NCBI                     | <a href="#">9429</a>                                                                                        |
| UniProt                  | <a href="#">Q9UNQ0</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                       |
| Formulierung           | Liquid                                                             |
| Target-Kategorie       | Broad substrate specificity ATP-binding cassette transporter ABCG2 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                      |
