| Artikelname              | Anti-NADPH oxidase 4/NOX4 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                                      |
| Artikelnummer            | BOB-PA1929-APC                                                                                                                                                                                      |
| Hersteller Artikelnummer | PA1929-APC                                                                                                                                                                                          |
| Alternativnummer         | BOB-PA1929-APC-100UG                                                                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                                          |
| Applikation              | FC                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of mouse NADPH oxidase 4, identical to the related rat sequence and different from the related human sequence by two amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 66519 MW                                                                                                                                                               |
| NCBI                     | <a href="#">50490</a>                                                                                                                                                                               |
| UniProt                  | <a href="#">Q9JHI8</a>                                                                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | NADPH oxidase 4                               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
