## Product Datasheet

### Anti-Prohibitin/PHB Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PA1932-HRP

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Prohibitin/PHB Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | BOB-PA1932-HRP                                                                                                                           |
| Hersteller Artikelnummer | PA1932-HRP                                                                                                                               |
| Alternativnummer         | BOB-PA1932-HRP-100UG                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | ELISA, IHC, WB                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Prohibitin, identical to the related rat and mouse sequences. |
| Klonalität               | Polyclonal                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 29804 MW                                                                                                    |
| NCBI                     | <a href="#">5245</a>                                                                                                                     |
| UniProt                  | <a href="#">P35232</a>                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                      |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Prohibitin 1                                                                                               |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
