### Anti-Lipoma-preferred partner LPP Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-PA2040-CY3

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Lipoma-preferred partner LPP Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                      |
| Artikelnummer            | BOB-PA2040-CY3                                                                                              |
| Hersteller Artikelnummer | PA2040-Cy3                                                                                                  |
| Alternativnummer         | BOB-PA2040-CY3-100UG                                                                                        |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human LPP.                          |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 65746 MW                                                                       |
| NCBI                     | <a href="#">4026</a>                                                                                        |
| UniProt                  | <a href="#">Q93052</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Lipoma-preferred partner                      |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
