| Artikelname              | Anti-Periostin/POSTN Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                                                  |
| Artikelnummer            | BOB-PA2048-FLUORO488                                                                                                                                                                             |
| Hersteller Artikelnummer | PA2048-Fluoro488                                                                                                                                                                                 |
| Alternativnummer         | BOB-PA2048-FLUORO488-100UG                                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                                                               |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of mouse Periostin, identical to the related rat sequence, and different from the related human sequence by three amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 93144 MW                                                                                                                                                            |
| NCBI                     | <a href="#">50706</a>                                                                                                                                                                            |
| UniProt                  | <a href="#">Q62009</a>                                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                      |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Dystrobrevin                                  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
