## Product Datasheet

### **Anti-MEK2/MAP2K2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal** **BOB-PA2274-FLUORO594**

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MEK2/MAP2K2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                        |
| Artikelnummer            | BOB-PA2274-FLUORO594                                                                                                               |
| Hersteller Artikelnummer | PA2274-Fluoro594                                                                                                                   |
| Alternativnummer         | BOB-PA2274-FLUORO594-100UG                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | FC                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human MEK2, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 44424 MW                                                                                              |
| NCBI                     | <a href="#">5605</a>                                                                                                               |
| UniProt                  | <a href="#">P36507</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                               |
| Formulierung           | Liquid                                                     |
| Target-Kategorie       | Dual specificity mitogen-activated protein kinase kinase 2 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells              |
