## Product Datasheet

### **Anti-Ras-related protein Rab-11A Rab11A Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PA2282-FLUORO488**

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Ras-related protein Rab-11A Rab11A Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                   |
| Artikelnummer            | BOB-PA2282-FLUORO488                                                                                                                 |
| Hersteller Artikelnummer | PA2282-Fluoro488                                                                                                                     |
| Alternativnummer         | BOB-PA2282-FLUORO488-100UG                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | FC                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Rab11A, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 24394 MW                                                                                                |
| NCBI                     | <a href="#">8766</a>                                                                                                                 |
| UniProt                  | <a href="#">P62491</a>                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                          |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Ras-related protein Rab-11A                   |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
