| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human SOX7, identical to the related mouse and rat sequences.                                                                                                                           |
| Produktbeschreibung      | Boster Bio Anti-SOX7 Antibody catalog PA2285. Tested in WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong signals with mi... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 42 kDa. Calculated Molecular Weight: 42197 MW                                                                                                                                                                                     |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">83595</a>                                                                  |
| UniProt                | <a href="#">Q9BT81</a>                                                                 |
| Puffer                 | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na2HPO4, 0.05mg Thimerosal, 0.05mg NaN3. |
| Reinheit               | Immunogen affinity purified.                                                           |
| Formulierung           | Lyophilized                                                                            |
| Target-Kategorie       | Transcription factor SOX-7                                                             |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat                                          |
