## Product Datasheet

### Anti-C5/C5a Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PA2308-FLUORO488

|                          |                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-C5/C5a Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                       |
| Artikelnummer            | BOB-PA2308-FLUORO488                                                                                                                         |
| Hersteller Artikelnummer | PA2308-Fluoro488                                                                                                                             |
| Alternativnummer         | BOB-PA2308-FLUORO488-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | FC                                                                                                                                           |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of rat C5a, different from the related mouse sequence by four amino acids. |
| Klonalität               | Polyclonal                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 8981 MW                                                                                                         |
| NCBI                     | <a href="#">362119</a>                                                                                                                       |
| UniProt                  | <a href="#">P08650</a>                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                  |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                        |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Complement C5 [Cleaved into: Complement C5 beta chain, Complement C5 alpha chain, C5a anaphylatoxin, Complement C5b |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                       |
