## Product Datasheet

### Anti-FHL3 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-PB10064-CY3

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FHL3 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                            |
| Artikelnummer            | BOB-PB10064-CY3                                                                                                           |
| Hersteller Artikelnummer | PB10064-Cy3                                                                                                               |
| Alternativnummer         | BOB-PB10064-CY3-100UG                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | FC                                                                                                                        |
| Spezies Reaktivität      | Human, Rat                                                                                                                |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human FHL3, identical to the related mouse sequence. |
| Klonalität               | Polyclonal                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 31192 MW                                                                                     |
| NCBI                     | <a href="#">2275</a>                                                                                                      |
| UniProt                  | <a href="#">Q13643</a>                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .               |
| Reinheit                 | Immunogen affinity purified.                                                                                              |
| Formulierung             | Liquid                                                                                                                    |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | Four and a half LIM domains protein 3         |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
