## Product Datasheet

### **Anti-Glucose 6 phosphate isomerase/GPI Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-PB10068-FITC**

|                          |                                                                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Glucose 6 phosphate isomerase/GPI Antibody Picoband FITC<br>Conjugated, Rabbit, Polyclonal                                                            |
| Artikelnummer            | BOB-PB10068-FITC                                                                                                                                           |
| Hersteller Artikelnummer | PB10068-FITC                                                                                                                                               |
| Alternativnummer         | BOB-PB10068-FITC-100UG                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | FC                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                          |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human GPI, different from the related mouse and rat sequences by sixteen amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                 |
| Molekulargewicht         | Calculated Molecular Weight: 63 kDa                                                                                                                        |
| NCBI                     | <a href="#">2821</a>                                                                                                                                       |
| UniProt                  | <a href="#">P06744</a>                                                                                                                                     |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Glucose-6-phosphate isomerase                 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
