### Anti-HLTF Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-PB10070-FLUORO594

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-HLTF Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                              |
| Artikelnummer            | BOB-PB10070-FLUORO594                                                                                                                             |
| Hersteller Artikelnummer | PB10070-Fluoro594                                                                                                                                 |
| Alternativnummer         | BOB-PB10070-FLUORO594-100UG                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                 |
| Immunogen                | E. coli-derived human HLTF recombinant protein (Position: S911-L1009). Human HLTF shares 92.9% amino acid (aa) sequence identity with mouse HLTF. |
| Klonalität               | Polyclonal                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 113929 MW                                                                                                            |
| NCBI                     | <a href="#">6596</a>                                                                                                                              |
| UniProt                  | <a href="#">Q14527</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Helicase-like transcription factor            |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
