## Product Datasheet

### **Anti-Lactate Dehydrogenase B/LDHB Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PB10076-FLUORO488**

|                          |                                                                                                                                                             |

| Artikelname              | Anti-Lactate Dehydrogenase B/LDHB Antibody Picoband Fluoro488<br>Conjugated, Rabbit, Polyclonal                                                             |
| Artikelnummer            | BOB-PB10076-FLUORO488                                                                                                                                       |
| Hersteller Artikelnummer | PB10076-Fluoro488                                                                                                                                           |
| Alternativnummer         | BOB-PB10076-FLUORO488-100UG                                                                                                                                 |
| Hersteller               | Boster Bio                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                  |
| Applikation              | FC                                                                                                                                                          |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                                   |
| Immunogen                | E. coli-derived human LDHB recombinant protein (Position: E237-L334). Human LDHB shares 98% amino acid (aa) sequence identity with both mouse and rat LDHB. |
| Klonalität               | Polyclonal                                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 36638 MW                                                                                                                       |
| NCBI                     | <a href="#">3945</a>                                                                                                                                        |
| UniProt                  | <a href="#">P07195</a>                                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                 |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | L-lactate dehydrogenase B chain               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
