| Artikelname              | Anti-NR2F6 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                            |
| Artikelnummer            | BOB-PB10081-FLUORO488                                                                                                                                            |
| Hersteller Artikelnummer | PB10081-Fluoro488                                                                                                                                                |
| Alternativnummer         | BOB-PB10081-FLUORO488-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                               |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                       |
| Immunogen                | E. coli-derived human NR2F6 recombinant protein (Position: M270-Q404). Human NR2F6 shares 99.3% amino acid (aa) sequence identity with both mouse and rat NR2F6. |
| Klonalität               | Polyclonal                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 42979 MW                                                                                                                            |
| NCBI                     | <a href="#">2063</a>                                                                                                                                             |
| UniProt                  | <a href="#">P10588</a>                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                      |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Nuclear receptor subfamily 2 group F member 6 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
