### Anti-TIAM1 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB10103-APC

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-TIAM1 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | BOB-PB10103-APC                                                                                                                                  |
| Hersteller Artikelnummer | PB10103-APC                                                                                                                                      |
| Alternativnummer         | BOB-PB10103-APC-100UG                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human TIAM1, different from the related mouse sequence by five amino acids. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 177508 MW                                                                                                           |
| NCBI                     | <a href="#">7074</a>                                                                                                                             |
| UniProt                  | <a href="#">Q13009</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Reinheit                 | Immunogen affinity purified.                                                                                                                     |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Rho guanine nucleotide exchange factor TIAM1  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
