| Artikelname              | Anti-COX1/Cyclooxygenase 1/PTGS1 Antibody Picoband Fluoro550<br>Conjugated, Rabbit, Polyclonal                                                                               |
| Artikelnummer            | BOB-PB9002-FLUORO550                                                                                                                                                         |
| Hersteller Artikelnummer | PB9002-Fluoro550                                                                                                                                                             |
| Alternativnummer         | BOB-PB9002-FLUORO550-100UG                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | FC                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                            |
| Immunogen                | E.coli-derived human COX1 recombinant protein (Position: E318-L599). Human COX1 shares 90% and 89% amino acid (aa) sequences identity with mouse and rat COX1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 68686 MW                                                                                                                                        |
| NCBI                     | <a href="#">5742</a>                                                                                                                                                         |
| UniProt                  | <a href="#">P23219</a>                                                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                  |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Prostaglandin G/H synthase 1                  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
