| Artikelname              | Anti-P53/TP53 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                                    |
| Artikelnummer            | BOB-PB9008-BIOTIN                                                                                                                                                        |
| Hersteller Artikelnummer | PB9008-Biotin                                                                                                                                                            |
| Alternativnummer         | BOB-PB9008-BIOTIN-100UG                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                               |
| Applikation              | ELISA, IHC, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                    |
| Immunogen                | E.coli-derived human P53 recombinant protein (Position: A74-D393). Human P53 shares 83% and 85% amino acid (aa) sequences identity with mouse and rat P53, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 43653 MW                                                                                                                                    |
| NCBI                     | <a href="#">7157</a>                                                                                                                                                     |
| UniProt                  | <a href="#">P04637</a>                                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                              |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Cellular tumor antigen p53                                                                                 |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
