### Anti-ICAM1 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PB9018-HRP

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ICAM1 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                |
| Artikelnummer            | BOB-PB9018-HRP                                                                                                                                 |
| Hersteller Artikelnummer | PB9018-HRP                                                                                                                                     |
| Alternativnummer         | BOB-PB9018-HRP-100UG                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | ELISA, IHC, WB                                                                                                                                 |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                     |
| Immunogen                | E.coli-derived mouse ICAM1 recombinant protein (Position: G198-P537). Mouse ICAM1 shares 74% amino acid (aa) sequence identity with rat ICAM1. |
| Klonalität               | Polyclonal                                                                                                                                     |
| Molekulargewicht         | Calculated Molecular Weight: 58844 MW                                                                                                          |
| NCBI                     | <a href="#">15894</a>                                                                                                                          |
| UniProt                  | <a href="#">P13597</a>                                                                                                                         |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                            |
| Reinheit                 | Immunogen affinity purified.                                                                                                                   |
| Formulierung             | Liquid                                                                                                                                         |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Intercellular adhesion molecule 1                                                                          |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
