| Artikelname              | Anti-Cathepsin D/CTSD Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                                       |
| Artikelnummer            | BOB-PB9048-HRP                                                                                                                                                                                   |
| Hersteller Artikelnummer | PB9048-HRP                                                                                                                                                                                       |
| Alternativnummer         | BOB-PB9048-HRP-100UG                                                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                   |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                       |
| Immunogen                | E.coli-derived mouse Cathepsin D recombinant protein (Position: E65-L410). Mouse Cathepsin D shares 85% and 91% amino acid (aa) sequences identity with human and rat Cathepsin D, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 44954 MW                                                                                                                                                            |
| NCBI                     | <a href="#">13033</a>                                                                                                                                                                            |
| UniProt                  | <a href="#">P18242</a>                                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                              |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Cathepsin D                                                                                                |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
