## Product Datasheet

### Anti-CD23/FCER2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB9051-APC

|                          |                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CD23/FCER2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                         |
| Artikelnummer            | BOB-PB9051-APC                                                                                                                               |
| Hersteller Artikelnummer | PB9051-APC                                                                                                                                   |
| Alternativnummer         | BOB-PB9051-APC-100UG                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | FC                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                            |
| Immunogen                | E.coli-derived mouse CD23 recombinant protein (Position: E50-P331). Mouse CD23 shares 52% amino acid (aa) sequence identity with human CD23. |
| Klonalität               | Polyclonal                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 37648 MW                                                                                                        |
| NCBI                     | <a href="#">14128</a>                                                                                                                        |
| UniProt                  | <a href="#">P20693</a>                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                  |

|                        |                                                 |
|------------------------|-------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                    |
| Formulierung           | Liquid                                          |
| Target-Kategorie       | Low affinity immunoglobulin epsilon Fc receptor |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
