## Product Datasheet

### Anti-GDNF Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB9069-APC

|                          |                                                                                                                                                           |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-GDNF Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                            |
| Artikelnummer            | BOB-PB9069-APC                                                                                                                                            |
| Hersteller Artikelnummer | PB9069-APC                                                                                                                                                |
| Alternativnummer         | BOB-PB9069-APC-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | FC                                                                                                                                                        |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                |
| Immunogen                | E.coli-derived human GDNF recombinant protein (Position: S78-I211). Human GDNF shares 93% amino acid (aa) sequence identity with both mouse and rat GDNF. |
| Klonalität               | Polyclonal                                                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 23720 MW                                                                                                                     |
| NCBI                     | <a href="#">2668</a>                                                                                                                                      |
| UniProt                  | <a href="#">P39905</a>                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                              |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Glial cell line-derived neurotrophic factor   |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
