| Artikelname              | Anti-KLF6 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                              |
| Artikelnummer            | BOB-PB9231-CY3                                                                                                                                                              |
| Hersteller Artikelnummer | PB9231-Cy3                                                                                                                                                                  |
| Alternativnummer         | BOB-PB9231-CY3-100UG                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | FC                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                  |
| Immunogen                | E.coli-derived human KLF6 recombinant protein (Position: E38-N205). Human KLF6 shares 92% and 90% amino acid (aa) sequences identity with mouse and rat KLF6, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 31865 MW                                                                                                                                       |
| NCBI                     | <a href="#">1316</a>                                                                                                                                                        |
| UniProt                  | <a href="#">Q99612</a>                                                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                 |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Krueppel-like factor 6                        |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
