## Product Datasheet

### Anti-ABCB4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-PB9275-FLUORO550

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ABCB4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                         |
| Artikelnummer            | BOB-PB9275-FLUORO550                                                                                                                                          |
| Hersteller Artikelnummer | PB9275-Fluoro550                                                                                                                                              |
| Alternativnummer         | BOB-PB9275-FLUORO550-100UG                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                             |
| Immunogen                | E.coli-derived human ABCB4 recombinant protein (Position: A601-A720). Human ABCB4 shares 79% amino acid (aa) sequence identity with both mouse and rat ABCB4. |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 141523 MW                                                                                                                        |
| NCBI                     | <a href="#">5244</a>                                                                                                                                          |
| UniProt                  | <a href="#">P21439</a>                                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                   |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Phosphatidylcholine translocator ABCB4        |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
