| Artikelname              | Anti-PKM2 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                                        |
| Artikelnummer            | BOB-PB9379-FITC                                                                                                                                                                                        |
| Hersteller Artikelnummer | PB9379-FITC                                                                                                                                                                                            |
| Alternativnummer         | BOB-PB9379-FITC-100UG                                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | FC                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human PKM2, different from the related mouse sequence by five amino acids, and from the related rat sequence by four amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                             |
| Molekulargewicht         | Calculated Molecular Weight: 57937 MW                                                                                                                                                                  |
| NCBI                     | <a href="#">5315</a>                                                                                                                                                                                   |
| UniProt                  | <a href="#">P14618</a>                                                                                                                                                                                 |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                                           |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                                           |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Pyruvate kinase PKM                           |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
