### Anti-Peroxiredoxin 4/PRDX4 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-PB9383-PE

|                          |                                                                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Peroxiredoxin 4/PRDX4 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-PB9383-PE                                                                                                                                                     |
| Hersteller Artikelnummer | PB9383-PE                                                                                                                                                         |
| Alternativnummer         | BOB-PB9383-PE-100UG                                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                 |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Peroxiredoxin 4, different from the related mouse and rat sequences by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 30540 MW                                                                                                                             |
| NCBI                     | <a href="#">10549</a>                                                                                                                                             |
| UniProt                  | <a href="#">Q13162</a>                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                       |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Peroxiredoxin-4                               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
