| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Ataxin 3, different from the related mouse and rat sequences by two amino acids.                                                                                                  |
| Produktbeschreibung      | Boster Bio Anti-Ataxin 3/ATXN3 Antibody Picoband catalog PB9423. Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality,... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 42 kDa. Calculated Molecular Weight: 41781 MW                                                                                                                                                                                     |

|                        |                                                                                                                                                                                                                               |
