## Product Datasheet

### **Anti-BAFF/TNFSF13B Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal** **BOB-PB9567-FLUORO647**

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-BAFF/TNFSF13B Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                   |
| Artikelnummer            | BOB-PB9567-FLUORO647                                                                                                                            |
| Hersteller Artikelnummer | PB9567-Fluoro647                                                                                                                                |
| Alternativnummer         | BOB-PB9567-FLUORO647-100UG                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | FC                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                               |
| Immunogen                | E.coli-derived human BAFF recombinant protein (Position: A134-L285). Human BAFF shares 86.1% amino acid (aa) sequence identity with mouse BAFF. |
| Klonalität               | Polyclonal                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 31223 MW                                                                                                           |
| NCBI                     | <a href="#">10673</a>                                                                                                                           |
| UniProt                  | <a href="#">Q9Y275</a>                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                        |
| Formulierung           | Liquid                                              |
| Target-Kategorie       | Tumor necrosis factor ligand superfamily member 13B |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells       |
